# *Dream on.....*

Hey my friends,

Good News! Unbelievable, I have finally officially own a hot cocoa shop sharing with my special friend, Glenn - a coffee man. Working with you and the shop, all the way - I couldn't live without a **hot cocoa!**

Please allow me to introduce our new Black Dot Coffee Bar which provides fun events along with delicious cold & hot drinks and of course, the **chocolate** pantries (try the **chocolate dipped strawberries**)! Feel free to send me greetings, join us drinks, and feel free to stop by anytime:

**Black Dot Coffee**  
1804 Hewitt Avenue #100  
Everett, Washington 98201

Let's make a toast of hot cocoa to you all - this shop is Deaf-friendly, including captions, sign language baristas, visual aids, etc. Trust me, my friends, my career as presenter/performer will not stop. As you know I dearly love my job and the on-going on opportunity to meet you all; at the same time, I have always dreamed of owning an espresso shop. I believe I can do it! **My dreams have just begun.**

I have established three (and many more) special upcoming events at my coffee shop: **October 28, 2010: Trix's Chocolate Day!**, **November 13, 2010 ~ Visible Words: The Art of Storytelling With Classifiers**, and **December 10, 2010: Happy Hour Hot Cocoa with Trix!** Sometime next year, I would love to train cops and firemen in the neighborhoods. If you would like to know more details about these upcoming events, let me know.

Would you love to have Trix come to your city and present a workshop? You can make it happen! It's easy! Just find meeting rooms Trix can use, select your "dream workshop", and let Trix know. If she's available for a booking, and you've found and reserved the room, Trix will take care all of the registrations and traveling expenses on her own. Send an email and tell Trix which **workshop would match your dreams!**

**Change the world!** Trix Bruce shows everyone what Deaf people can do! Add your name to [Trix Bruce's fan site](#) and follow [Trix on twitter](#).

Come and find me (or follow me) there.....  
Trix
