ABOUT TRIX BRUCE...

Patricia (Trix) Bruce, from Seattle, Washington, is known nationwide as both a workshop presenter and an ASL performer. Trix's work has been warmly received everywhere, from local community centers, to state, regional and national RID conferences, Deaf Way II, interpreter conventions and more. Wildly popular as a teacher of ASL storytelling and ASL interpretation, Trix impresses audiences at all levels of ASL skill, from novices to fluent experts.

Trix has been profoundly deaf since she was 6 months old. She went through oral, mainstreaming, deaf classes, and online educational programs. Trix has been involved in the performing arts since 1980. After completing her college program, she became involved with interpreter training. Trix's main area of study has been ASL Linguistics with a focus on ASL Performance. She is an approved sponsor for the Registry of Interpreters for the Deaf (RID) Certificate Maintenance Program, and has developed a popular website: www.trixbruce.com. Whether writing, creating, improvising or starring in her many productions, Trix's passion for the dramatic arts shines through.

SYNOPSIS

ASL SEMANTICS: Precision of Expression in ASL

Semantics is defined as the study of meanings expressed by the elements of a language or a combination of the elements. A concept expressed in an ASL sign often cannot be conveyed by a single all-purpose English word. Likewise, English words and phrases may have variations in meaning, which require translations using different ASL signs. This workshop helps the student advance skills in translating the languages of ASL and English.

English Idioms: PSST...How Do You Interpret That?

This workshop is a challenge! The idioms are crawling into your ears! Let your hands, gesture, and facial expression fire up! This workshop will give you several demonstrations on how to interpret several idioms. You cannot make up your mind whether or not to attend this workshop. You are straddling the fence! Come On! Tell your brain "YES" - do not get one's wires crossed! See you there!
