The Hearing World Around Me

*What is it like, to be a
Deaf person among the hearing?*

**Live!
One Deaf
Woman Show**

"Let me tell you what it is like to be a deaf person among the hearing. I will share with you my most embarrassing moments, learning experiences, greatest challenges, and growing sense of pride. Through these stories, you will see how Deaf culture has colored my life, and maybe discover that we have more in common than we think. Welcome to my world."

Trix Bruce's stories are those of culture clash and connection, contact and confusion, and the many ways which language and identity can twist our perceptions of each other. You will enjoy her energetic style, witty delivery, poetic grace, and open-hearted honesty while you gain a realistic perspective of life as a deaf person among the hearing. This is a captivating evening of theater, humor, experience, and wisdom for all audiences.
