## **A Handmade Treasury of Deaf Folktales**

The heart and soul of Deaf culture is passed from generation to generation through sign language folktales, stories, jokes, puns, and other forms of cultural expression. As Trix weaves these tales into a performance, the audience will gain insight into the Deaf experiences and the ways in which Deaf people view the world around them. These cultural gems help to explain Deaf identity, the beliefs of Deaf people, and often explain the ways in which Deaf people arrange their lives.
