

English Idioms: PSST...How Do You Interpret That?

This workshop is a challenge! The idioms are crawling into your ears! Let your hands, gesture, and facial expression fire up! This workshop will give you several demonstrations on how to interpret idioms. You cannot make up your mind whether or not to attend this workshop. You are straddling the fence! Come On! Tell your brain "YES" - do not get one's wires crossed! See you there!

PLUS extra information of ENGLISH EQUIVALENTS: Whoa! Train Zoom Gone. Did You See What She Signed? What did she mean by that and how can I say it in English?

English Equivalents help the student take signs that do not have just one translation in English and help the participant become aware of idiomatic English translations along with some technical vocabulary associated with particular signs. English Equivalents in ASL will help you confidently continue the flow of information exchange from ASL to English and from English to ASL.
