

Trix Bruce is coming to Kansas City, Missouri!

February 16, 2012 ~ Thursday 6 pm - 9 pm

ASL Semantics: Precision of Expression in ASL

Semantics is defined as the study of meanings expressed by the elements of a language or a combination of the elements. A concept expressed in an ASL sign often cannot be conveyed by a single all-purpose English word. Likewise, English words and phrases may have variations in meaning, which require translations using different ASL signs. This workshop helps the student advance skills in translating the languages of ASL and English.

February 17, 2012 ~ Friday 6 pm - 9 pm

English Idioms: PSST...How Do You Interpret That?

Fire up your creativity and learn how to interpret idioms in American Sign Language! This workshop will guide participants in expressing idiomatic concepts across languages. Idioms breathe life into language. Come and join us as we master idioms!

February 18, 2012 ~ Saturday 9 am to 4 pm

"Face-Painting" with Non Manual Signals in ASL

Non-manual signals (NMS) in American Sign Language enrich and clarify the meaning of manual signs. Come and learn the art of painting your face with a full spectrum of NMS colors and designs.

Non-Manual Signals include: 1) Non-Manual Adverbs 2) Lexical Non-Manual Behaviors 3) Non-Manual Grammatical Markers 4) Emotional States / Evaluative judgments 5) Prosodic Structure 6) Discourse Structure 7) Turn Taking 8) Backchannel Feedback 9) Grammatical "Sound" Markers, and 10) Mouth Movements.

This workshop will focus on developing accurate non-manual signals and markers as used in ASL. Demonstrations of each category of facial behaviors and head movements will be shown in context. Practice exercises will be offered. By the end of this workshop, you'll be an artist!

My workshops benefit participants at all levels. Countless advanced interpreters have let me know that they enjoyed learning updated/new signs that they haven't seen before, such as regional accents. They also loved it when I explained how to sign messages into ASL, rather than just signing in English word by word. Interpreters appreciate that my workshops are excellent for review as well as for discovering new things that apply within the professional work environment. Students also mentioned that my workshops helped them to understand how to approach their own projects, research, and practice more effectively.

Participants, fans, and friends have asked questions like these: What's it like to travel so much? Which airline experience was the most frustrating? How many states have you been to? What are your favorite movies/restaurants/hotels? I will do my best to share my experiences in this blog. Enjoy reading my blog! <http://trixbruceshow.blogspot.com/>
