Dear Trix,

I raise my hot cocoa in a toast to honor YOU! Let's gather energy for our personal lives and careers. Dedicated to our work, we may sometimes find ourselves drifting away from self-awareness. Yet it's so important to discover what we really want out of our lives. Absorbed in thought and working on a project, I lost track of how many hot cocoas I'd had. I really wanted to finish my project quickly, but I realized that I needed to take my time, move step by step, and build my skills within the framework of my life goals.

Looking back over my life, do I feel old? No way! I have plenty of projects ahead and I look forward to these challenges. I'd like to encourage you to "Hang in there!" Enjoy designing your rewarding future and focusing your energy. I'm with you all the way!

Hugs,
Trix

P.S. That's me when I was 5 years old, holding my two bunnies. I believe these bunnies filled me with energy! Find your inspiration and embrace your future!

Thank you for giving me an opportunity to be part of ASLTA. Serving as Professional Development Coordinator (PDC) has been an honor and an extremely rewarding experience for me.
