

*Thank you for your wonderful support! You've greatly contributed to my success as an instructor and performance artist. I wish you a joyous holiday season, and I hope the 2009 New Year brings you much luck and happiness. Once again, I thank you from the bottom of my heart! ~ Trix*

*A WARM WELCOME TO MY MANAGER!*

I am thrilled to announce this news: At long last, I have finally hired a manager! Debbie DeLacy is a wonder. I've got a long list of dreams, passions, projects, and "things to do", all scribbled on notes, and I'm confident that Debbie will help me catch up on everything! Please welcome Debbie!

*A SPECIAL MOMENT, October 16, 2008*

After performing my HEARING WORLD AROUND ME show at the Division Logistic Agency in Fort Belvoir , Virginia, I felt truly honored to receive the Appreciation Award. This award means so much to me. The Fort Belvoir show gave me a chance to give public recognition to employees with disabilities, which is a cause very close to my heart.

## ASL SEMANTICS: Precision of Expression Series Focus Word: OUT

Semantics is defined as the study of meanings expressed by the elements of a language or a combination of the elements. A concept expressed in an ASL sign often cannot be conveyed by a single all-purpose English word. Likewise, English words and phrases may have variations in meaning, which require translations using different ASL signs. This workshop helps the participant advance skills in translating the languages of ASL and English.

Examples: Out of the blue, chill out, check out, out of touch, knock out, out of your mind, out of sight, out of my league, spit it out, flat out, and many more....

### **WHAT IS GREAT ABOUT MY CAREER?**

Of course, it's YOU! I couldn't handle my business all by myself! Debbie's support, along with the hard work of my crews, keeps me going.

Being so focused on "making it" and on overcoming my "weaknesses," I had not taken much time to appreciate myself - and my success - along the way. I treasure my experiences and want to give special thanks to my crews who have given much of their time voluntarily:

Valuable  
Outstanding  
Lifesavers  
Unbeatable  
Needed  
Terrific  
Excellent  
Exceptional  
Remarkable  
Sensational!

My volunteer crews have been wonderful! I couldn't do without them!
