Dear Trix,

The Autry, the Programs Department and I would like to say a very special thank you for your valuable contribution of time, talent, and expertise to our first annual Stories in the Park family festival. You are an excellent storyteller. You have a unique way of involving the entire audience, children, adults, hearing, and non-hearing. All of your stories were captivating, but I think my personal favorite was when there was no voice interpretation and you pulled us into a beautiful silent world of movement.

In addition to storytelling, you were an immense help with ASL interpretation, which was above and beyond the call of duty. You contributed to making this family festival a major success. We hope you enjoyed the experience as well. It was a personal pleasure working with you.

Anytime you would like to visit either of the Autry National Center's museums, please let me know. Feel free to contact me at rcolletta@autrynationalcenter.org if I can be of any assistance in the future.

With warm regards,

Rose-Yvonne Colletta,
Programs Manager
