Dear Trix

I can not thank you enough for the four wonderful performances you gave in Maryland last Fall. The audiences were very entertained, and some people came again and again. I have gotten several compliments, and they want to know when you will be back again. From young children to senior citizens, deaf and hearing, everyone loved you. Your creativity and willingness to be flexible in your show was refreshing. Especially entertaining was the improvisations you did with the children in the audience. So delightful.

I look forward to working with you again. You are a true professional!

Sincerely

Nancy Seidman
