To Whom It May Concern:

This letter is written as a letter of recommendation for Trix Bruce as a Deaf performer. The following is submitted on her behalf.

Trix is an energetic and eager Deaf woman who has a wonderful talent of ASL storytelling, ASL poetry, and artistic performance. She is a visual performer. Trix had given her most fascinating performance at the Ohio School for the Deaf (OSD) in March, 2004; she was so awesome and amazing, and she was attracted by our audience by interacting in her performance. The OSD students from preschool to high school loved her and so did the staff and teachers.

Trix is a professional development chair of the American Sign Language Teachers Association (ASLTA) and contains an ASLTA professional level certification. She used to work with interpreters and gave ASL workshops in various settings across the country.

It is with great pleasure and confidence that I highly recommend Trix Bruce as a Deaf performer. I would not hesitate to hire Trix again.

Sincerely,

Mrs. Molly Estes, ASLTA
