Dear Patricia "**Trix**" Bruce:

Thank you for performing at our fund-raiser for "These Hands" ASL Club of Olympic College on March 03, 2005. Your performance was very well received by our members and everyone else that was in the audience. Your overall performance was beyond the call of duty, you captivated each and everyone from the beginning until the end. Your performance was not only fascinating and entertaining, but it was... in a word, "**AWESOME**"! Our only regret was we didn't have more time with you.

We hope that you enjoyed meeting the members of These Hands and that you will consider returning in the future to continue your encore. If you could email me for your date availability for April May & June, I would greatly appreciate it and discuss it with Maril Elliott (advisor) and Chazz Snay the ASL Club President.

Thank you again for taking the time to perform for our club, you were awesome.

Sincerely,

A handwritten signature in blue ink that reads "Curtis J. Koller".
