Snohomish, WA 98290

Dear Trix,

We so enjoyed having you at our elementary school. The students all loved it. Below is a paragraph referencing your performance.

Trix Bruce came to our elementary school in June of 2005. Our elementary school has 650 students. Within the 650 students we have 35 Deaf and Hard of Hearing students. Our teachers of the Deaf contacted Trix to come to our school and perform an hour assembly for both Deaf and hearing students. Her performance was very interactive. It was wonderful to see participations from both the hearing and Deaf students. We try at our school to build understanding for all cultures. Trix's assembly was a terrific way to build on student's understanding of Deaf culture and American Sign Language.

Thank you, we hope to have you back in Puyallup soon.
