Dear Trix,

It was a pleasure to host you and your performance of "The Hearing World Around Me" this April at North Dakota State University! It was the perfect balance of education and entertainment, which is what I seek as a university program coordinator.

Your show served as a wonderful introduction to deaf culture, while also being a wonderful program for the area deaf community to enjoy. You held the audience's attention throughout your show as we got to know you by your stories and memories; I appreciated your smooth transitions and pacing with telling your stories.

Additionally, I found you to be very professional and available during the planning process; not all contractors are so attentive in this regard. Thank you for your flexibility.

I would recommend you as a visiting artist to anyone, and hope you can visit NDSU again. I am impressed with the number and variety of shows that you offer.

Best wishes to you.

I hope to see you again,

Regina Ranney

Diversity Program Coordinator
