

Independent Study Project Checklist:

Hope this checklist will help you to get ready to send everything together (All the documentation must be sent in ONE scanned PDF along with your Independent Study FORM)

- Your reports / notes that answer your educational objectives
- Your time-frame, your schedule – Showing the total number of clock hours you spent on the project
- Handouts, learning process practice activities, journals
- One to two photos of yourself practicing or studying (optional)
- Any other supporting documents

Please send everything together with your form. This would be highly appreciated.

Looking forward to getting all of your project documentation

Trix
