

**Good News!!! Trix Bruce is coming to Charlotte, NC again!**

**November 15, 2019, Friday @ 8:00 am - Noon**

**Power, Privilege, and Oppression Within and Around Deaf Culture**

Take this opportunity to learn in depth about our Deaf culture. Topics of power, privilege, and oppression are of interest to sign language interpreters. Let's explore these ideas in relation to Deaf Culture and interpreting communities, with real-life perspectives. (0.4 RID CEUs available, *This workshop fits RID's PPO CEU requirement.*)

**November 15, 2019, Friday @ 1:30 pm - 5:30 pm**

**Medical Interpreting: Questions & Appointments**

Interpreting topics can be challenging to expand with ASL to show meaning more visually. This workshop will provide hands-on practice with expressive ASL visualization in medical interpreting situations. In addition, video clips will offer practice for voice-interpreting visualized signing. Interpreters will have opportunities to improve medical-setting English-to-visualized-ASL and visualized-ASL-to-English. (0.4 RID CEUs available)

**November 16, 2019, Saturday @ 8:00 am - 5 pm**

**Trix's Discoveries: Visual Interpreting from English to ASL**

Trix guides interpreters working on English-to-ASL skills. Challenges in rendering ASL from English source material develop **visual thinking** skills. We will be able to:

- demonstrate application of interpreting person, content, place, time, procedures, causes, and reasoning
- demonstrate increased classifier incorporation in interpreting
- demonstrate non-question forms of "who, what, where, when, how and why"
- demonstrate rich visual imagery in interpreting
- collaborate in developing ASL expression of English phrases
- match concepts represented by multiple-meaning words

This workshop will have several hands-on practice activities and group discussions. **(0.8 RID CEUs available)**

**Holiday Inn Express & Suites Charlotte Southeast -  
Matthews**

**9420 East Independence Blvd  
Matthews, NC 28105**

My workshops benefit participants at all levels. Countless advanced interpreters have let me know that they enjoyed learning updated/new signs that they haven't seen before, such as regional accents. They also loved it when I explained how to sign messages into ASL, rather than just signing in English word by word. Interpreters appreciate that my workshops are excellent for review as well as for discovering new things that apply within the professional work environment. Students also mentioned that my workshops helped them to understand how to approach their own projects, research, and practice more effectively.
