**June 10, 2021 Thursday @ 5 pm – 7 pm (Pacific Time)**  
**Zoom Online Meeting ~ Presented by Trix Bruce (Deaf)**

## **Voice Interpreting: Swearing and Puns**

In interpreting work, choosing appropriate terminology is key. To assure that professional standards are maintained during meetings, conversations, and appointments, interpreters should match the speaker or signer's register and tone, and be alert to the cultural nuances within both Deaf and hearing communities. We will learn "FA-UP", appropriate/inappropriate words, and funny signs!

### **Educational Objectives:**

- Develop a list of appropriate words and phrases that will fit various situations
- List words that are appropriate and inappropriate for various situations.
- Demonstrate examples of the variety of ASL dialects and language registers

**RID CEUs:** Trix Bruce is an Approved RID CMP Sponsor for Continuing Education Activities. This Professional Studies program is offered for all workshops 0.2 for this webinar at the Little/No to Some Content Knowledge Level.

**TARGET AUDIENCE:** Target audience: Working, certified, and pre-certified interpreters anywhere in the US.

**NOTES:** E-Handouts will be provided. The workshop will be presented in ASL. No voice interpretation will be provided. My workshops benefit participants at all levels. Countless advanced interpreters have let me know that they enjoyed learning updated/new signs that they haven't seen before, such as regional accents. They also loved it when I explained how to sign messages into ASL, rather than just signing in English word by word. Interpreters appreciate that my workshops are excellent for review as well as for discovering new things that apply within the professional work environment. Students also mentioned that my workshops helped them to understand how to approach their own projects, research, and practice more effectively.

**RSVP! Registration Fee: \$35**
